

COMMUNITY OPEN HOUSE in Support of Six Fallen State Highway Workers

Friday, April 14, 2023 | 3 - 6 pm

On March 22, we lost six of our industry brothers and sisters in a fatal work zone crash on a I-695 construction project in Baltimore County. Our deepest sympathies to the families of those lost, and to Concrete General, Inc., KCI Technologies, Inc., and MDOT SHA.

Our thoughts remain with each of you as we collectively heal from this loss and commit to improving work zone safety awareness.

Location | Patapsco Valley State Park
Hollofield Area 300, 8020 Balt. Nat. Pike
Ellicott City, Maryland 21043

*Note: park entrance fee per vehicle:
\$2 MD residents / \$4 out-of-state*

In lieu of an event fee, the Chapter encourages attendees to participate in the silent auction or contribute to the education funds established for surviving family members.

Memorializing lives lost, CMAA Baltimore is calling members of the construction community to come together, remember, and support each other.
