

Owners Forum Breakfast

September 12, 2023 | 7:30 am to 11:00 am

Panel Representatives include:

- Maryland Transportation Authority
- Maryland Aviation Administration
- State Highway Administration
- Baltimore County Public Schools
- Baltimore Gas & Electric
- Howard County

Panel Topics

- Construction and A/E funding outlook for the next 12-24 months.
- Will your projects be primarily system preservation and maintenance, or will new construction represent a larger percentage?
- What construction management and inspection experience/skill areas do you anticipate to be your greatest need in the next year or two?
- What can the construction industry and consultant community do to help identify and implement safety improvements for your projects? What new improvements have you implemented recently, are imminent, or under strong consideration?
