

2024 CMAA Baltimore Chapter Construction Management Project Achievement Awards

Purpose of the Award

The Baltimore Chapter of the Construction Management Association of America (CMAA) is announcing its 16th annual Project Achievement Awards program. This program recognizes outstanding achievement in the practice of construction management.

Award winners serve as examples for CMAA, promoting professionalism and excellence in the management of the construction process.

Evaluation

Entries must be submitted by **March 29, 2024**. The Awards Committee is composed of owners and professional construction managers. Each nominated project will be evaluated based on listed criteria. This is a competitive process. The best project(s) in each market sector will be selected. Multiple submissions are welcome.

Criteria and Classifications

Market Sector categories include:

- Transportation
- Education
- Water / Wastewater
- Healthcare
- Commercial / Sports / Entertainment / Hospitality
- Government
- Residential / Mixed-Use
- Environmental
- Other

The Board / Awards Committee reserves the right to further delineate entries into market sectors based upon the entry details.

Construction Value categories include:

- Less than \$5 million
- Between \$5 - 15 million
- Greater than \$15 million

The competition is open to any project within the geographic boundaries of the Chapter.

Entries for the same project may not be submitted to both the National Chapter and Baltimore Chapter.

Nominated projects and programs must have achieved substantial completion during the period starting June 1, 2023, and ending May 29, 2024.

Awarded projects exemplify CMAA practice standards. Each submitter should make the best possible case for a project as an example of creativity, innovation, and service.

Rating criteria includes:

- CM's unique contributions (20%)
- CM's unique innovations and/or solutions to challenges (30%)
- Supporting information (30%)
- Project outcomes (20%)

Detailed criteria for evaluating nominations are explained on the following pages.

2024 CMAA Baltimore Chapter Construction Management Project Achievement Awards

Section 1. Project and Team Information

Name of Submitter

- Address
- Phone Number
- Email

Project Delivery Method

Project Description (max 150 words)

- Construction Value
- Contract Term

Participants (include names and email addresses)

- Owner
- Construction Manager / Project Manager
- Design-Builder
- General Contractor
- Other Key Stakeholders

Section 2. CM Innovations and Contributions

Provide a statement (max 350 words) describing unique contributions the CM made to the success of this project or program.

Questions to consider:

- What did the CM do that was unique and special?
- What did the applicant provide that another CM firm would not or could not have provided?
- Emphasize how the CM solved a problem, created an opportunity, or overcame challenges.

2023 Overall Project Achievement Award | Government: Construction value between \$5 - \$15 Million / Town of Bel Air Town Hall & Police Department / Town of Bel Air Departments of Planning & Community Development and Public Works | DFI

Section 3. Supporting Information

Provide detail (max 850 words) to support the statement(s) made in the previous section. This section must relate to, and support statements made in the previous section.

The Committee will look for evidence of the CM's innovation and creativity. Do not provide detailed descriptions of materials, methods, and processes that are well known and commonly used.

Your project's uniqueness might involve only one or two of these elements. Focus on those strong points and make your case.

- Overall Project Management Efforts
- Overall management
- Team leadership
- Project delivery method
- Quality management
- Cost management
- Schedule management
- Safety management
- Customer service
- Public Awareness
- Risk mitigation
- Sustainability
- Lean methods
- Use of technology
- Unique challenges and CM responses

2024 CMAA Baltimore Chapter Construction Management Project Achievement Awards
