Types of Sessions

We encourage you to have a diverse team of presenters, which includes representatives from owners, consultants, contractors, and/or academia. There will be more than one presenter selected, and the format may include:

- Project presentation
- Panel discussion
- Training session

Target Audience

The audience includes owners, consultants, and contractors involved in the construction management profession across all disciplines and levels of experience.

Learning Objectives

Learning objectives are needed to identify and award Continuing Education Credits (CEUs) for workshop attendees. Please include 3-5 learning objectives for each session. The learning objectives must be clear, specific, measurable, and reflect what the attendees will learn by attending the session. Submissions without learning objectives will not be considered.

Submission Requirements

All submissions must include:

- Presentation Title
- Presenter's full name, affiliation, title, telephone number, and email address
- 3-5 Learning objectives

Presentations should not focus on promoting an individual or business. Presentations should not discriminate based on gender, race, color, ethnicity, nation of origin, religion, physical ability, or sexual orientation.
